## KUBUS BOWL

The Kubus Bowl is based on original sketches by Mogens Lassen, and features elements evocative of the Bauhaus school, one of Mogens Lassen's primary inspirations. The German design school believed that good design should be accessible to the people, and this concept appealed to architect Mogens Lassen. The Kubus Bowl is produced in Denmark with a focus on high quality and solid craftsmanship, and the bowl is a natural extension of the iconic Kubus candleholder, designed by Mogens Lassen in 1962. The Kubus Bowl is suitable for home decoration year-round and can contain everything from spring blossoms to herbs, fruits, or your favourite candy.
