## Description

With bold presence and a distinctive form, the Brutalist offers a striking interpretation of functional furniture. Crafted entirely from solid mahogany, each piece is defined by its strong silhouette and carved openings—balancing mass with negative space. A rich stain and varnish finish enhance the natural grain of the wood, adding depth and warmth to its architectural shape. Both statement and surface, the Brutalist collection brings enduring character to any setting.

## Designer **Alain Van Havre**

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
