MAGS SOFT & MAGS SOFT LOW SOFA

HIGHLIGHTS

- Part of a modular sofa family
- It combines maximum comfort, minimum details and optimal flexibility in a timeless design
- The modules can be customized into individual sofa combinations
- Available in suggested combinations
- Duvet padding for extra softness
- The Mags series also include the regular Mags and the more relaxed Mags Soft with low armrest
- Low frame for lounge feel with deep seats and high or low armrests
- Available in a wide variety of fabric options
- Suitable for a wide variety of private and public environments
- Qualified for contract use

MAGS SOFT & MAGS SOFT LOW SOFA DESIGN BY HAY

Rounded edges and soft cushions create a milder, relaxed tone with the Mags Soft Sofa.

Optimal comfort and durability are ensured by the sofa's solid construction, which has been built using durable, high-density foam and covered with a duvet for extra softness. The low frame has a distinctly lounge feel, which is reinforced by the deep seats and results in an open, welcoming space. The wide range of functional modular units mean the sofa can be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the numerous high quality upholstery options allow the sofa to find its own personality. The Mags Soft series also includes the Mags Soft Low Armrest model.

Mags Soft Low Armrest 3-Seater Combination 1 | Tartaglia 861 & white stitching

Mags Soft Corner Combination 10 Right | Osumi 30 & black stitching

Mags Soft Low 2,5-Seater Combination 3 | Tartaglia 989 | White stitching

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
