«LE TACT DANS L'AUDACE C'EST DE SAVOIR JUSQU'OU ON PEUT ALLER TROP LOIN»

Jean Cocteau

Our pieces conceived by our designers are realised by craftsmen or little industrial companies, selected for the high quality of their work. Our editions combine originality of forms and materials with industrial requirements. Our catalog proposes constantly new original creations for the everyday life (vases, seats, lamps...).

DIMENSIONS

Model A : 30 x 30 x h28 cm // Model B : 18 x 18 x h20 cm

COLORS

Grey, red, yellow

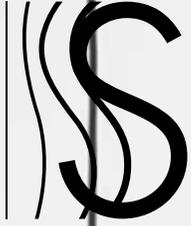

DESCRIPTION

The SARN lamps are inspired of traditional handcrafted products in Thailand.

This technic is used and updated by Thai design Studio THINKK, resulting in a joyfull and colorful lamp.

The light goes through the lampshade, and come out a little bit colored, wich will bring a contemporaneous and playful touch to any interiors

Made of Palm Tree, tressed by hand in a controlled factory in Thailand

BRAND

Collaboration between Thingk and Specimen Editions

MATERIALS

Lacquered or painted ash wood

DIMENSIONS

22,6 x 22,6 x h17 cm

COLORS

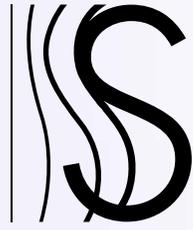

Raw lacquered wood, yellow, or grey

DESCRIPTION

The project started by a question : what if traditional craft like Japanese 'Kagome' basketry or 'Chalorm' in Thai have to be rethought and developed precisely by technology? What is going to happen?

Using exactly the same traditional pattern but produced it in totally different way, each piece of veneer was cut precisely by laser.

The result is a strong, elegant collection that can be assembled perfectly without glue.

MATERIALS

Oak and steel

DIMENSIONS

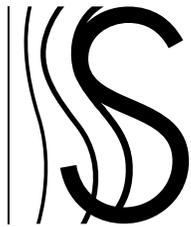

45 x 52 x h75 cm

COLORS

Oak wood feet + white or black steel

DESCRIPTION

Specimen loves pieces of furniture combining two different materials. With this chair, the designer gives the impression that the seating was directly placed on the wood, and cut afterwards, giving the name «Cutting Edge» to this chair. The result is an elegant and functional marriage of materials. Made in Thailand in a controlled factory.
